The next few months are going to be tough, and they are going to be hard on everyone in the village, including those in the wider community; from the very youngest to the very oldest of us.

As the nation goes into isolation and as the usual services and amenities we rely on struggle to cope, so we will all need to do what we can; to work together in hope and humility, in love and in thankfulness.

The Churches in Kirby Muxloe stand ready! The list below is not exhaustive, and will likely expand as the situation develops, but please bear with us and do not hesitate to phone with questions or volunteer your time to help.

- The Church Sanctuary at The Free Church will be open every weekday from 9-5 for people to come in and pray.
- Do you urgently need someone to speak to or simply need advice? The lobby will also be open with people available.
- We will begin operating a 'basics bank' of essential items (primarily toiletries) that we can distribute to those in need. We will start accepting donations for this immediately, stockpiling what we can, but we can only offer what we have!
- In so far as the situation allows we will also operate a free delivery service for pharmacy and other essential items to be taken to those vulnerable or self-isolating.
- While regular services and activities at The Free Church will be postponed indefinitely, we will meet outdoors on Easter Sunday morning (in the church car park) for a 10am service.

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.
